FURNITURE

WARRANTY INFORMATION

All Martin Furniture products carry a five year limited warranty to be free of manufacturing defects in workmanship. Component parts not manufactured by Martin Furniture such as electrical light fixtures, light bulbs, electrical power centers and electric lifts are warranted by those respective manufacturers. Cost of transportation to our factory will be the responsibility of the customer. After the item is returned to our factory, we will repair or replace with same or similar unit, at our discretion. If defective, the product will be repaired or replaced and shipped back to the dealer at no cost. This warranty is void if Martin Furniture deems said damage was caused by abuse, negligence, modification, or by accident. Please contact the company for additional information.

ADDITIONAL INFORMATION

Our factory reserves the right to make modifications to size, style and price without notice. Photographic representations of wood finishes may vary. Dimensions are rounded and include crown moldings.

HARTFORD COLLECTION

The Hartford collection combines bold lines with classic style elements. All pieces are available in two vintage finishes - black rub through with contrasting wood plank top or linen white with contrasting gray patterned top. The finishes are hand rubbed and distressed to allow the natural wood to show through and present an aged, well-loved appearance. Black metal accents and wire mesh detail complete the design aesthetic. Hartford is right at home in either a formal setting or a more relaxed, eclectic room.

KENSINGTON COLLECTION

Inspired by Biedermeier style, the Kensington collection is comfortably contemporary, showcasing a warm fruitwood finish and contrasting black cove and black bead molding. The tops have reversed diamond matched veneers with a black inlaid border. The posts of the cases are quarter-round and the drawers are accented by half-round molding and ash colored drawer pulls. Kensington is crisp and contemporary without seeming out of place in traditional settings because of the warm finish and understated design elements.
